

ReCreate!

A project to reinvent
MMM costumes &
designs

- Choose one of Margaret's costumes or designs from the Brochure
- Then re-create the whole, or part of it (such as a headdress). Or maybe the costume will inspire you to make something new.
- The materials you use should be recyclables: left-over or second-hand fabric, as well as bits and pieces out of your cupboard and environment.

On Friday we'd love to see your work revealed. It's not a competition, just the fun of sharing what everyone's made.
