The **MMM International Summer School**, held annually in Chichester, in the south of England, offers its members and guests a unique opportunity to enjoy a week of dance and creative work on an ideal campus in beautiful surroundings. As well as a great variety of classes to suit all ages and abilities, Summer School brings together people from all over the world to enjoy a learning and leisure experience together. You can progress by taking exams, train as a teacher, or just dance for fun, relaxation and pleasure. A special programme for young dancers ensures that they progress at their own pace with specially dedicated teachers and classes. The highlight is the Dance Recital held on the last night where all are invited to perform and demonstrate their own creative skills. A week not to be missed!
